- A tender place-Behind the loco Beecher says, and says sauly; "It is dangerous for any man to find any apot on this broad globe that is amount

to him than his home. - A Michigan ceusus taker came icross a man who had been married five years, but had never inquired his wife's ohristian name. He always called her "Say !"

catish in the river there come out under the shade trees to fan themselves with their tails.

- "What is the chief use of bread? sked an examiner at a school exhibi-The chief use of bread," answered the urchin, apparently astonished at the simplicity of the inquiry, to spread butter and molasses on."

- WOMAN .- There is a purple half to the grape, a mellow half to the peach, sunny half to the globe, and a better

- Nat what are you leaning on that empty cask for?" "I am mourning over departed spirits."

Instead of "hops" at the wateringplaces this season, there have been round dances called "twists." It is very common to see a ventleman walk up to a lady, run out his clbow, and say "Madam, will you favor me with a And she twists.

- "Sir," said the astonished land ady to a-travelar who had just sent his cup forward for the seventh time, "you must be very fond of the coffee," "Yes ma'am, I am," he replied, "or I should never have drank so much water to get

At a meeting of the Union Reform Club at Garner's Ferry, near Columbia, on the 10th inst., fifty colored men went forward and promptly joined the Club, and are now striking out in earnest in behalf of the Reform party. It thought many more of the colored men in that vicinity will join at the next meeting of the Club, And the Reform party are marching on to victory.
